Hai Hoang reported the survey will be available online via Survey Monkey. He mentioned the importance of completing the survey via Survey Monkey because of the built in logic. Hai will send out an email with the survey link and specific instructions for completing the survey.

The committee discussed graduation dates, late graduates would be included in the survey.

4. Legislative Update (Tina Recalde)
Tina reported due to COVID-19, the baccalaureate degree legislation has been delayed until next year. Data collected from surveys show we are doing what we said we would do; the delay in legislation will give us more time to collect data.
5. Other
Mike Slavich is working on the website; colleges reported numbers are flat and students are continuing to enroll; Zoom classes are continuing, Rio Hondo, West LA, and Foothill are offering limited hands-on-labs. Strategies for returning to campus were shared including: infection control protocols, safety equipment, glasses, gloves, mask, plexiglass, cleaning, and social distancing markings on the floor.
