6. Building the Pipeline

Elizabeth- Reached out to anyone

Had a meeting a few weeks ago; creating a google folder accessible to everyone

Upload CORs for GE, faculty will determine GE they will accept. Each faculty and campus will determine how they want to

#### 7. BDP Data Collection Plan (Hai Hoang)

Hai shared evaluation plan familiar with, data for last year.

Why, plan, need

SB 874 legislation, was deemed as non-essential because of COVID, new version will be discussed next year. Spring of next year.

Assemblyman Medina.

Do not know what kind of data they will need, prepare

Another reason LAO report data report, some elements were incorrect—opportunity to update the data

Plan:

First data point, update data. Cohort count, ethnicity, gender, 2-year graduation rate, accepted and enrolled

Carmen asked—two years after prerequisites completed (2-year graduation rate, 3-year graduation rate) Challenge trying to be consistent with LAO so our data will more closely match their data.

Data point number 1: fall data

See screen shot

Survey data—2 years, last 2 years before BA degree, upper division

New cohort in fall; exit survey at the end of year 2, employer survey too; need to collect feedback as employer

Need researchers

Community College Baccalaureate Association will request research from us.

Who will succeed/not succeed; early intervention

Legislation

Mike volunteered help—pay overtime

Russell Reid—will additional \$35,000 address some of these needs? Top priority, clear and precise data for the spring. Augment budget for research time.

Carmen—Hai coordinate a meeting with the researchers, to delegate responsibilities,

Shelly, Tina, Mike—set up a meeting with the researchers. Set up as lead group

Add Kevin Lovelace to the group

Will invite everyone,

Bridget—central coordination point, Hai is beyond capacity; has to be local support; research subgroup; permission and priority from Dean; some of the work,

Jennifer, CIO role, next CIO , communicate importance of research involvement, Jennifer

Survey administration—support more than back end; emphasizing importance

Will go forward, convene researchers together, need for help and why it's important

Kevin—talk about BDP and where data aligns—may reach out into IT

8. Legislative Update (Tina Recalde)

Legislation will be launched in next session, letters from employers, pictures, videos,

Show provide value in community

CCCAOE legislative visit in March, Number of Colleges, support it, same momentum this year
